1 WHY ABLOXX-TOKEN?

The biggest challenges in the market for Digital Assets are currently:

- **More than 26.000 Different Assets**
- **High Volatility**
- **24/7 open Stock Exchanges**

Our solution for you: The Abloxx-Token!

With the Abloxx-Token, you can participate in the entire market for Digital Assets with just one transaction. You do not need any special previous knowledge.

Teroxx offers an exclusive bonus program that is only provided to Abloxx-Token holders. If you store your token in the bonus wallet offered by Teroxx, you will receive a quarterly bonus distribution.

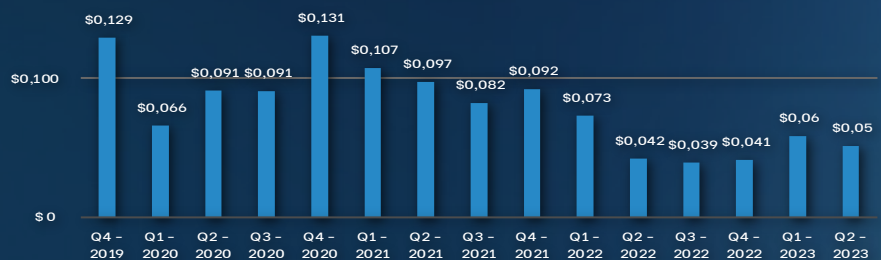

2 TEROXX

Teroxx is one of the leading companies in professional Digital Asset trading. As a fully licensed Digital Asset boutique, we offer private clients and institutional investors comprehensive information and uncomplicated access to a wide range of Digital Assets.

As a client, you benefit from our expertise: the risk-optimized handling of the above-average volatile market for Digital assets. In 2022, we have thus achieved an annual trading volume of over 750 million US dollars and a continuously positive performance.

Our secure, fast and easy-to-use Teroxx Wallet App is another attractive offer for you. It offers you a wide range of different and partly exclusive services to store, trade and manage your Digital Assets.
