Abloxx Digital Assets Bonus Program

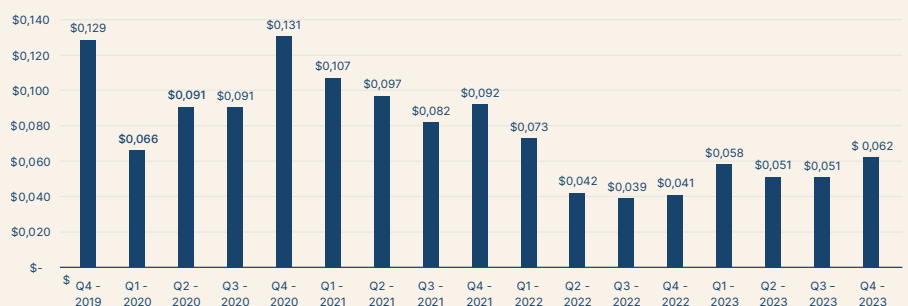

This bonus program rewards Abloxx-Token holders. By storing your Abloxx-Token within the bonus program of the Teroxx App, you receive a portion of the surplus Teroxx generates as bonuses.

To benefit you need to transfer at least 10 Abloxx-Token in the Teroxx App into the bonus program. Once these tokens have been transferred, they are deposited for a period of 12 months.

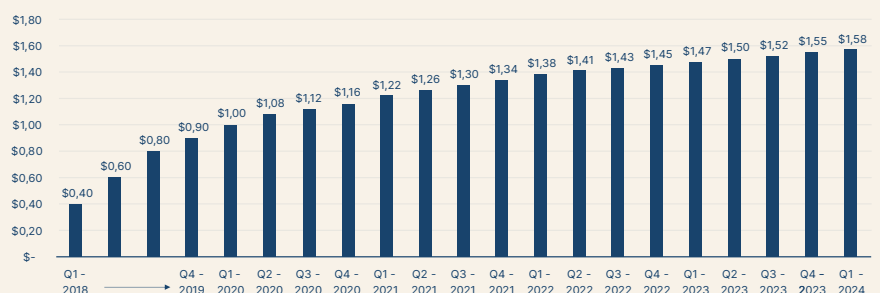

You can immediately view all important information about your transferred tokens. The start date for your bonus calculation depends on when you transfer your Abloxx-Token to the bonus program.

A loyalty bonus period starts on the 1st day of a quarter (1 January, 1 April, 1 July and 1 October). To be eligible for the first payout in the following quarter, your Abloxx-Token must remain in the bonus program for at least one full month.
